## 6.1M SPORT RIB

Be Amphibious with the 6.1m Sport RIB. The most compact in the Sealegs family, the 6.1m Sport RIB provides all the benefits of Sealegs amphibious craft in an efficient, practical package.

With a carrying capacity of up to 6 people, the 6.1m Sport RIB is perfect for solo or group adventures, and its smaller size allows it to fit your boat shed or as an amazingly versatile yacht tender. No dock required.

The sport console allows walk-around access to the whole craft, great for fishing and for packing gear.

## BENEFITS

- » Easier, safer, drier launching
- » Immediate access to water/land
- » Easy boarding and unloading
- » No need for boat ramp
- » Single person operation

## SEALEGS TECH

- » All Wheel Drive
- » Seastar Power Assist Hydraulic Steering
- » Automatic Hydrostatic Brakes
- » Extended Run Time

## TOLERANCES

- » 7.5kph Top land speed
- » 35 knots Top water speed
- » Seating Room up to 6
- » 30 min/hour continuous use on land
- » 260km Approx. Range on Water @ 4000 R.P.M.
- » Watercraft Design Category C
- » Maximum incline on land 11° (20% gradient)
